

**As a musician,**  
**I want** my sheet music stand to  
have integrated clamps  
**so that** my sheet music does not  
fall off.

**As a boulderer,**  
**I want** the walls to be sticky  
**so that** I don't fall off so easily.

**As a fairy,  
I want a tree house  
so that I can invite my friends  
over.**

**As a beaver,**  
**I want** trees along the river  
**so that** I have enough material  
to build a dam.

**As** a carpenter,  
**I want** to have a quick delivery  
of wood  
**so that** I can fulfill all my projects  
without waiting for material.

**As a bus driver,  
I want a massage chair  
so that I can relax inbetween  
trips.**
